

Buchanan High School Math Department

Class Placement Guide

The following chart is a guide to help students plan their years at Buchanan High School. A meeting between the counselor and the student is necessary to create a successful plan. Each plan has options based upon the success of the student. If a student doesn't meet the minimum requirements for the next class or feels overwhelmed, a meeting with the counselor is necessary to make adjustments. Success for the student is the priority of the math department, however, that is based upon the efforts of the student and proper placement.

Not all situations are listed in the chart. For unique situations, a meeting with the counselor is mandatory.

Current Buchanan High School 9th Grade Class

Current Math Class for 9 th Grade year	Math 1	Math 2	Honors Math 2	Math 3	Honors Math 3
Next math class for 10 th grade year	<p><u>Math 2</u> Student must pass with a 70% or better both semesters.</p>	<p><u>Math 3</u> Student must pass with a 70% or better both semesters.</p>	<p><u>Honors Math 3</u> Student must maintain a minimum of a 80% both semesters.</p>	<p><u>Advanced Math</u> Student must maintain a 70% or better both semesters.</p>	<p><u>Calculus BC or AB</u> Student must maintain a 90% or better both semesters.</p>
	<p><u>Honors Math 2</u> Student must meet with Counselor. Student must take a placement exam and pass.</p>	<p><u>Honors Math 3</u> Student must meet with Counselor. Student must take a placement exam and pass.</p>	<p><u>Math 3</u> Student received a 70% to 79% either semester and never received lower than 70% either semester.</p>	<p><u>Repeat Math 3</u> Student didn't satisfy minimum requirement for placement into Math 3. Student must meet with counselor for 10th grade placement.</p>	<p><u>Calculus AB</u> Student must maintain 75% or better both semesters.</p>
	<p><u>Retake Math 1</u> Student didn't satisfy minimum requirement for placement into Math 2. Student must meet with counselor for 10th grade math class placement.</p>	<p><u>Retake Math 2</u> Student didn't satisfy minimum requirement for placement into Math 3. Student must meet with counselor for 10th grade math class placement.</p>	<p><u>Retake Honors Math 2 or placement into Math 2</u> Student must meet with counselor for 10th grade math class placement</p>		<p><u>Advanced Math</u> Student receives 70%-74.9% for one or both semesters, but maintains 70% or better both semesters.</p>
					<p><u>Repeat Honors Math 3</u> Student doesn't maintain minimum requirement. Must meet with counselor.</p>

Current Buchanan High School 10th Grade Class

Current Math Class for 10 th Grade year	Math 1	Math 2	Honors Math 2	Math 3	Honors Math 3
Next Class for 11th Grade Year	<p align="center"><u>Math 2</u> Student must pass with a 70% or better both semesters.</p>	<p align="center"><u>Math 3</u> Student must pass with a 70% or better both semesters.</p>	<p align="center"><u>Honors Math 3</u> Student must maintain a minimum of a 80% both semesters.</p>	<p align="center"><u>Advanced Math</u> Student must maintain a 70% or better both semesters.</p>	<p align="center"><u>AP Calculus BC or AB</u> Student must maintain a 90% or better both semesters.</p>
	<p align="center"><u>Foundations Math 2</u> Student maintains between 60% to 69%. Must meet with counselor for proper placement.</p>	<p align="center"><u>Honors Math 3</u> Student must meet with Counselor. Student must take a placement exam and pass.</p>	<p align="center"><u>Math 3</u> Student received a 70% to 79% either semester and never received lower than 70% either semester.</p>	<p align="center"><u>Repeat Math 3</u> Student didn't satisfy minimum requirement for placement into Math 3. Student must meet with counselor for 11th grade placement.</p>	<p align="center"><u>AP Calculus AB</u> Student must maintain 75% or better both semesters.</p>
	<p align="center"><u>Summer School Math 1</u> Student can take summer school then enroll into Math 2 or Foundations Math 2. Must meet with counselor.</p>	<p align="center"><u>Retake Math 2</u> Student didn't satisfy minimum requirement for placement into Math 3. Student must meet with counselor for 11th grade math class placement.</p>	<p align="center"><u>Retake Honors Math 2 or placement into Math 2</u> Student must meet with counselor for 11th grade math class placement.</p>		<p align="center"><u>Advanced Math</u> Student receives 70%-74.9% for one or both semesters, but maintains 70% or better both semesters.</p>
					<p align="center"><u>Repeat Honors Math 3</u> Student doesn't maintain minimum requirement. Must meet with counselor.</p>

Current Buchanan High School 10th Grade Class

Current Math Class for 10 th Grade year	Advanced Math
Next Class for 11th Grade Year	<u>AP Calculus AB</u> Student must pass with a 80% or better both semesters.
	<u>Statistics</u> Student receives 70%-79% for one or both semesters, but maintains 70% or better both semesters
	<u>Honors Math 3</u> Student receives lower than 70% for one or both semesters. Student must meet with counselor.

Current Buchanan High School 11th Grade Class

Current Math Class for 11 th Grade year	Math 1	Math 2	Math 3	Honors Math 3 Column 1	Honors Math 3 Column 2
Next Class for 12 th Grade Year	<p><u>Math 2</u> Student must pass with a 70% or better both semesters.</p>	<p><u>Math 3</u> Student must pass with a 70% or better both semesters.</p>	<p><u>Advanced Math</u> Student must maintain 80% or better both semesters.</p>	<p><u>AP Calculus BC or AB</u> Student must maintain a 90% or better both semesters.</p>	<p><u>Statistics</u> Student receives 70%-74.9% for one or both semesters, but maintains 70% or better both semesters.</p>
	<p><u>Foundations Math 2</u> Student maintains between 60% to 69%. Must meet with counselor for proper placement.</p>	<p><u>Retake Math 2</u> Student didn't satisfy minimum requirement for placement into Math 3. Student must meet with counselor for 12th grade math class placement.</p>	<p><u>Statistics</u> Student must maintain 70% or better both semesters.</p>	<p><u>AP Calculus AB</u> Student must maintain 75% or better both semesters.</p>	<p><u>Repeat Honors Math 3</u> Student doesn't maintain minimum requirement. Must meet with counselor.</p>
	<p><u>Summer School Math 1</u> Student can take summer school then enroll into Math 2 or Foundations Math 2. Must meet with counselor.</p>		<p><u>Math 3</u> Student doesn't meet minimum requirements for next math class. Student must meet with counselor.</p>	<p><u>AP Statistics</u> Student receives 75% or better for both semesters.</p>	
				<p><u>Advanced Math</u> Student receives 70%-74.9% for one or both semesters, but maintains 70% or better both semesters</p>
